Living with Purpose

We work tirelessly to ensure that we are doing everything we can to promote our residents' overall health and well-being.

We encourage our residents to engage, enjoy, express, and live as full, independent and active a life as possible with us. Our dedicated activities team develop an extensive weekly calendar of group and one-to-one activities, tailored to the unique needs, and expressed interests, of our residents. Residents' freedom of choice guides everything we do.

On a typical week residents enjoy music, singing, dancing, light exercise, reminiscence therapy, art therapy, pet therapy, gardening, and excursions when weather allows. Our activities programming is designed to turn each day into an opportunity for our residents to live with purpose.

Mowlam Healthcare provides person-centred health care with compassion, dignity, and respect. Our clear focus is 'To Enhance the Quality of Life for Older People'.
